If this Policy replaces a Prior Plan that contained a provision allowing for continuation of coverage due to Total Disability without payment of premium (the "Prior Plan's Continuation Provision"), this Policy will provide life and accidental death and dismemberment coverage, subject to all of the conditions below, for a Member who:

- (a) was insured under the Prior Plan on the last day it was in effect;
- (b) is otherwise eligible under this Policy, but is not Actively Employed on this Policy's effective date due to Injury or Sickness;

We reserve the right to request any information We need from the Policyholder to determine whether an Member has satisfied the conditions necessary to be eligible for coverage under this Continuity of Coverage provision. If We do not receive such information or determine that the conditions necessary to be eligible for coverage under this Continuity of Coverage provision have not been satisfied, coverage will not be provided under this provision.

If a Member is eligible for coverage under this Continuity of Coverage provision, the Member will not be eligible for coverage under the Waiver of Premium Benefit provision shown in this Certificate.

When Member Insurance Begins

When the Policyholder pays 100% of the cost of the Member's insurance under the Policy, the Member will become insured on the later of the date:

- (a) the Member satisfies the Eligibility Waiting Period; or
- (b) We approve Evidence of Good Health, if required;

provided the Member is Actively Employed on that date. If the Member is not Actively Employed on that date, insurance will begin on the date the Member returns to Active Employment.

When the Member and the Policyholder share in the cost of the Member's insurance or, when the Member pays 100% of the cost of Member insurance, the Member must request insurance by properly completing and signing an enrollment form acceptable to Us and submitting this form to the Policyholder (who will then submit the form to Us) within 31 days following the day the Member becomes eligible for the Policy.

The Member will become insured on the later of the day:

- (a) the Member becomes eligible; or
- (b) the Member's enrollment form, acceptable to Us, is properly completed and signed;

and, if required, We approve Evidence of Good Health provided the Member is Actively Employed on that date. If the Member is not Actively Employed on that date, insurance will begin on the date the Member returns to Active Employment.

If a Member was eligible for group life insurance under a Prior Plan immediately prior to the effective date of this Policy, but did not elect insurance under such plan, the Member may enroll for insurance under this Policy if the Member is otherwise eligible and provides Us with Evidence of Good Health. Insurance will begin on the day We determine such evidence is acceptable, provided the Member is Actively Employed on that date. If the Member is not Actively Employed on that date, insurance will begin on the day the Member returns to Active Employment.

Changes in the Amount of Your Insurance

Decrease in the Amount of Your Insurance

Regardless of whether or not You are Actively Employed at the time, any decrease in the amount of insurance will take effect on the day of the decrease.

The amount of insurance cannot be decreased to an amount less than any plan minimums shown in the Schedule of this Certificate. Any reductions due to age as shown in the Schedule in this Certificate will apply.

Increase in the Amount of Your Insurance

You cannot request an increase to the amount of Your insurance unless You are Actively Employed on the day You submit such request. We will use the Policyholder's payroll records and the premium We have received to determine the appropriate insurance amount.

Any increase in the amount of Your insurance will take effect on the later of the day:

- (a) of the change; or
- (b) the first day of the month which coincides with or follows the day We approve Your Evidence of Good Health, if required by Us.

If You are not Actively Employed on the day the increase in insurance would otherwise take effect, the increase will become effective the day You return to Active Employment.

Reinstatement of Member Insurance

A Member may be eligible to reinstate insurance that has ended. A written request for reinstatement must be submitted to Us. The reinstated insurance will take effect on the date We approve the Member's written request, provided the Member is Actively Employed on the date the increase would take effect.

The following reinstatement options are available and are each subject to the conditions described in the following paragraphs:

- (a) Non-Payment of Premium;
- (b) Involuntary Reduction in Hours; and
- (c) Rehired Member.

Non-payment of Premium

If insurance ended due to non-payment of premiums, We will require Evidence of Good Health, acceptable to Us, to reinstate Your insurance.

Involuntary Reduction in Hours

If insurance ended because the Member is no longer Actively Employed due to an involuntary reduction of hours worked, the Member's insurance may be reinstated without satisfying another Eligibility Waiting Period if the Member returns to Active Employment and there was no break in employment with the Policyholder after the date insurance ended.

We will require Evidence of Good Health if the amount of insurance being requested exceeds the amount of coverage in effect on the Member's last day of Active Employment.

Rehired Member

If insurance ended because the Member is no longer Actively Employed due to termination of employment with the Policyholder, the Member's insurance may be reinstated without satisfying another Eligibility Waiting Period if the Member is rehired and becomes Actively Employed within 90 days from the date employment ended.

We will require Evidence of Good Health acceptable to Us if the amount of insurance being requested exceeds the amount of insurance in effect on the Member's last day of Active Employment.

If employment terminated due to a military leave, the Member is eligible to reinstate insurance up to the amount in effect on the last day of Active Employment upon return to Active Employment immediately after discharge from active duty, provided the Member meets the eligibility requirements of the Policy.

When Member Insurance Ends

Insurance will end the last day of the month in which:

- (a) the Policy terminates;
- (b) You are no longer Actively Employed;
- (c) You do not satisfy any other eligibility conditions described in this Certificate;
- (d) any applicable premium contribution is due and unpaid; or
- (e) You enter the Armed Forces, National Guard or Reserves of any state or country on active duty (except for temporary active duty of two weeks or less).

Exceptions to When Member Insurance Ends

If You are no longer Actively Employed, You may be eligible to continue insurance under one of the following continuation options. The conditions for each continuation option are described within each provision.

For life insurance:

- (a) Layoff or Leave of Absence
- (b) Waiver of Premium Benefit

For accidental death and dismemberment insurance: Layoff or Leave of Absence

Layoff or Leave of Absence

You may be able to continue life and accidental death and dismemberment insurance under this provision for 12 months from the day You are no longer Actively Employed in the event of an involuntary layoff or personal leave of absence approved by the Policyholder.

Under this provision, insurance will continue subject to the following conditions:

- (a) We must continue to receive uninterrupted premium payment;
- (b) the Policyholder may be able to continue Your life and accidental death and dismemberment insurance for up to 12 months if You are no longer Actively Employed due to Injury or Sickness;
- (c) We must receive written notification from the Policyholder within 31 days from the date You are no longer Actively Employed; and
- (d) the amount of insurance will not be increased while You are laid off or on approved leave of absence.

Insurance under this provision will end on the first day of the month which coincides with or follows the earliest of the day:

- (e) the Policy terminates;
- (f) any applicable premium contribution is due and unpaid;
- (g) You elect to obtain insurance under the Conversion Privilege;
- (h) before You enter the Armed Forces, National Guard or Reserves of any state or country on active duty (except for temporary active duty of two weeks or less);
- (i) You return to Active Employment or begin employment with a Policyholder other than the Policyholder; or
- (j) Your insurance would otherwise end under the Policy.

If state law requires a Policyholder to allow a leave of absence related to pregnancy, childbirth, or adoption, We will continue insurance during that leave period subject to the terms and conditions of this Policy. Contact Your Policyholder to determine whether or not You are eligible for this type of leave.

Waiver of Premium Benefit

You may be able to continue life insurance under this provision without payment of premium if You become Totally Disabled while insured under the Policy prior to age 60. If You are over age 60 You may apply for an individual life insurance conversion policy according to the terms of the Conversion Privilege described in this Certificate.

Continuation of insurance under this Waiver of Premium Benefit provision is subject to the following conditions:

- (a) the amount of insurance will not be increased while You are Totally Disabled;
- (b) the amount of insurance will be reduced or terminated in accordance with the terms shown in the Schedule in this Certificate;

- (c) the Waiver of Premium Benefit Elimination Period must be satisfied; and
- (d) Proof of Total Disability must be provided to Us as described in the following paragraphs.

Waiver of Premium Benefit Elimination Period

The Waiver of Premium Benefit Elimination Period is a period of 9 consecutive months of Total Disability beginning on the date You became Totally Disabled while insured under the Policy. Your insurance will continue during this time without premium payment as long as You remain Totally Disabled.

Proof of Total Disability

You must notify Us in writing of Total Disability within 3 months from the date You became Totally Disabled. Satisfactory proof of Total Disability must be submitted to Us before the end of the Waiver of Premium Benefit Elimination Period. We will notify You in writing if this proof is not acceptable. You will have 31 days from the date of Our denial in which to exercise the Conversion Privilege described in this Certificate.

If You are approved for continuation of coverage under this Waiver of Premium provision, We will periodically require proof of continuing Total Disability. This will be at Your expense. If at any time We determine You are no longer Totally Disabled We will notify You in writing and You will have 31 days from the date of Our denial in which to exercise the Conversion Privilege described in this Certificate.

In order to confirm that You are Totally Disabled, We have the right to have You examined by a Physician of Our choice at Our expense. We may have You examined any time during the first two years of Total Disability and once a year thereafter.

Death While Satisfying the Waiver of Premium Benefit Elimination Period

If You die during the Waiver of Premium Benefit Elimination Period, benefits will be paid to Your beneficiary if We receive satisfactory proof of Total Disability and We determine that You were Totally Disabled on the day before the date of death.

When the Waiver of Premium Benefit Ends

Your continued insurance under the Waiver of Premium Benefit provision will end on the earliest of:

- (a) the day You are no longer Totally Disabled;
- (b) 90 days after a proof of Total Disability form is sent to You, but has not been returned to Us;
- (c) the day You fail to be examined by a Physician of Our choice or do not cooperate with an exam in accordance with the Proof of Total Disability provision; or
- (d) the day You reach age 65.

Continuation of Insurance Under Family and Medical Leave

The federal Family Medical Leave Act of 1993 (FMLA) and any amendments thereto as well as certain state statutes provide continuation of coverage in certain instances for leaves of absence.

You may be eligible for continued coverage under FMLA and/or any state family medical leave laws. You should check with Your Policyholder for additional information regarding the continued coverage that may be available to You.

Any continued coverage for family medical leave will not exceed the continued coverage provided by FMLA and/or state required family medical leave.

Any family medical leave continuation is subject to all terms and conditions of the Policy, including, without limitation, payment of premium and eligibility. Any continued coverage will end in accordance with the When Member Insurance Ends provision in Your Certificate.

Time Periods. The period of time within which an appeal decision is required to be made will begin at the time an appeal is timely filed, without regard to whether all the information necessary to make an appeal decision accompanies the filing. If a period of time is extended as described above due to the claimant's failure to submit information necessary to decide a claim, the period for making the appeal decision shall be "tolled" or suspended from the date on which the extension notice is sent to the claimant until the earlier of (1) the date on which We receive the claimant's response; or (2) the date established by Us in the notice of extension for the furnishing of the requested information.

STANDARD PROVISIONS

Insurance Contract

The insurance contract consists of:

- (a) the Policy;
- (b) the Policyholder's application attached to the Policy; and
- (c) any application for You or Your dependents.

Changes in the Insurance Contract

The insurance contract may be changed (including reducing or terminating benefits or increasing premium costs) any time We and the Policyholder both agree to a change. No one else has the authority to change the insurance contract. A change in the insurance contract:

- (a) does not require the consent of any Insured Person or beneficiary; and
- (b) must be:
 - (1) in writing;
 - (2) made a part of the Policy; and
 - (3) signed by one of Our officers.

A change may affect any class of Insured Persons, including retirees if retired coverage is included in the Policy.

Applications

We may use misstatements or omissions in the application of an Insured Person to contest the validity of insurance, reduce coverage or deny a claim, but We must first furnish You or Your beneficiary with a copy of that application. We will not use a person's application to contest or reduce insurance which has been in force for two years or more during that person's lifetime. However, if You or Your dependent is not eligible for insurance, there is no time limit on Our right to contest insurance or deny a claim.

Statements in an application are treated as representations, not as warranties.

Legal Actions

No legal action can be brought until at least 60 days after We have been given written proof of loss. No legal action can be brought more than two years after the date written proof of loss is required.
