Express Scripts manages your prescription drug benefit at the request of SISC. Your plan gives you the option of getting your covered medications through the **Medco Pharmacy**® mail-order service, now a part of the Express Scripts family of pharmacies, or at a participating retail pharmacy.

The chart below provides a summary of your prescription drug benefit co-payments.

When you visit a participating retail pharmacy and present your member ID card, you will pay the applicable cost share and receive up to a 30-day supply of the prescribed drug.
