

# Feel the power of positivity

## Your Employee Assistance Program (EAP) can show you how

Positivity can help your body, mind and spirit. And you can actually teach yourself how to feel this way! Tell yourself it's okay if things don't turn out like you planned. Try *reframing* – taking negative thoughts and replacing them with more optimistic thoughts. And it's always a good idea to talk to someone if you need help turning negative into positive. So ask your Employee Assistance Program (EAP) team of experts for help – and make a positive change.
