In the event that a question or dispute arises between the authority and a **covered party** concerning the applicability of the coverage provided by this **memorandum** to an **occurrence** or **claim** against the **covered party**, the **covered party** or the authority may make a written request for arbitration.  3. No action shall lie against the authority unless, as a condition precedent thereto, the **covered party** shall have fully complied with all the terms of this **memorandum**; nor until the amount of the **covered party's** obligation to pay the claim of a third party shall have been finally determined either by judgment against the **covered party**, after actual trial, or by written agreement of the **covered party**, the claimant, and the authority. Said judgment shall not be deemed final, if an appeal is filed therefrom, until the suit shall have been finally determined on appeal. Any person or organization, or the legal representative thereof, who has secured such judgment or written agreement, shall thereafter be entitled to recover under this **memorandum** to the extent of the coverage afforded by this **memorandum**.

When this coverage is excess, the **authority** shall have no duty to defend the insured against any **claim** or **suit** if any other coverage or insurer has a duty to defend the member against the that **claim** or **suit**.

Duration of occurrence: An **occurrence** with a duration of more than one **coverage period** shall be treated as a single **occurrence** arising during the **coverage period** when the **occurrence** begins, and under no circumstances shall the fact that said **occurrence** has a duration of more than one **coverage period** entitle a **covered party** to more than that one **coverage period's limit of liability**.
- G. These costs shall include, but not be limited, to legal fees and costs and interest.

- H. Severability: This **memorandum** uses the term **covered party** severally and not collectively, so that it applies separately to each **covered party** as if it were the only **covered party**. However, this provision shall not increase the **limit of liability**.
- I. No joinder: No person or entity shall have any right under this **memorandum** to join the authority as a party to any action against a **covered party** to determine the **covered party's** liability or the authority's coverage obligations.

- L. Governing law: This **memorandum** shall be governed and construed in accordance with the laws of the State of California.

- N. Reservation of rights not required: The authority shall have no obligation to issue letters denying coverage or reserving of rights to deny coverage as a precondition for denying coverage at a later date.
- O. Limitation on separate or independent counsel: The authority shall have no obligation to retain separate, independent or *Cumis* counsel for any **covered party** unless counsel selected by the authority would have an impermissible conflict of interest under the California Rules of Professional Conduct or the California Business and Professions Code.
- P. Right to modify: The authority reserves the right to revise, update and/or modify the terms and conditions of this **memorandum** from time to time and throughout the term of the **coverage period** as may seem necessary and reasonable to the authority due to an amendment to or repeal of any of the provisions of law referred to herein or for any other reason. When it shall do so, the authority shall provide appropriate notification to members through appropriate bulletins and/or memoranda outlining the changes
