Being a parent is a difficult job. Although it may sometimes feel like you are supposed to have all the answers, you don't have to figure it out on your own. Help is available.

Your Employee Assistance Program (EAP) is here for you and your family, offering support and resources, available at no extra cost, to help you:

- Explore parenting tips and tools.
- Find child care.
- Learn about mental health for children and teens.
- Understand developmental stages, including what to expect and how to keep your child safe at every age.
- Address issues such as bullying, behavior problems, smoking, and drinking.
