3.0 PRUDENCE

SISC is a Joint Powers Agreement (JPA), comprised of public school districts and county offices that have come together to self-insure various programs. Investment law imposes the role of trustee on California's local government agencies or persons authorized to make investment decisions for them, in effect making them a fiduciary subject to the prudent investor standard (CA Gov Code 53600.3).

A fiduciary is "a person who has legal responsibility for the conservation and management of property in which another person has a beneficial interest." As a governing body and fiduciary investing public funds, the standard of prudence to be used when investing SISC funds shall be the "Prudent Investor Standard." This Standard states that the fiduciary shall act with care, skill, prudence, and diligence, under the circumstances then prevailing, that a prudent person, acting in a like capacity and familiar with those matters, would use in the conduct of funds of a like character and with like aims to safeguard the principal and to maintain the liquidity needs of the agency.

4.0 OBJECTIVE

The primary objectives, in order of priority, of the Self-Insured Schools of California's investment activities shall be:

- 4.1 Safety: Safety of principal is the foremost objective of the investment program. SISC investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, diversification is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
- 4.2 Liquidity: SISC's investment portfolio will remain sufficiently liquid to enable SISC to meet all operating requirements which might be reasonably anticipated.
- 4.3 Return on Investment: SISC's investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account SISC's investment risk constraints and the cash flow characteristics of the portfolio.

5.0 DELEGATION OF AUTHORITY

The SISC Board is responsible for the management and oversight of the investment program. The SISC Finance Department shall monitor and review all investments for consistency and compliance with this investment policy. The Board may delegate the daily investment decision making execution authority to the Chief Executive Officer or his designee. The Chief Executive Officer shall follow this policy and such other written instructions as provided. Further, he or she shall be responsible for all transactions undertaken and will establish a system of controls to regulate the activities of appropriate staff members.

6.0 AUTHORIZED FINANCIAL DEALERS AND INSTITUTIONS

Investment services may be provided only by institutions and security broker/dealers authorized by SISC. 8.0 SAFEKEEPING AND CUSTODY

All security transactions entered into by SISC shall be conducted on a delivery-versus-payment (DVP) basis. Securities will be held by a third-party custodian designated by the SISC Board and evidenced by safekeeping receipts (CA Gov Code 53635).

9.0 DIVERSIFICATION

In an effort to reduce overall portfolio risk while attaining market average rates of return, diversification will be utilized in terms of maturity, as well as security type and issuer.
